SUPPLEMENT TO DEFINITIVE PROXY STATEMENT

This supplement to the Definitive Proxy Statement on Schedule 14A filed on May 21, 2018 (the “Definitive Proxy Statement”), by VeriFone Systems, Inc. (the “Company” or “Verifone”), is being filed to supplement the Definitive Proxy Statement as described in the Explanatory Note below.

The Company’s Board of Directors continues to unanimously recommend that you vote “FOR” the adoption of the Merger Agreement and “FOR” the other proposals being considered at the Special Meeting.

EXPLANATORY NOTE

As previously disclosed, on April 9, 2018, the Company entered into the Agreement and Plan of Merger, dated as of April 9, 2018 (the “Merger Agreement”), among the Company, Vertex Holdco LLC, a Delaware limited liability company (“Parent”), and Vertex Merger Sub LLC, a Delaware limited liability company and a wholly-owned subsidiary of Parent (“Merger Sub”). Pursuant to the Merger Agreement, Merger Sub will be merged with and into the Company (the “Merger”), with the Company continuing as the surviving company in the Merger. Parent and Merger Sub are owned by an investor group led by the private equity investment firm Francisco Partners. On May 21, 2018, the Company filed with the Securities and Exchange Commission (the “SEC”) the Definitive Proxy Statement with respect to the special meeting of the Company’s stockholders scheduled to be held on June 19, 2018, in connection with the Merger (the “Special Meeting”).

Litigation Related to the Merger

As previously disclosed, in connection with the Merger, two putative class action lawsuits, *Scarantino v. VeriFone Systems, Inc., et al.*, Case No. 1:18-cv-00752-VAC-CJB, and *Byrne v. VeriFone Systems, Inc., et al.*, Case No. 4:18-cv-02926-YGR, were filed on May 17, 2018, against the Company and its directors in the United States District Court for the District of Delaware and the United States District Court for the Northern District of California, respectively. On May 30, 2018, a third lawsuit, *Raul v. VeriFone Systems, Inc., et al.*, Case No. 3:18-cv-03215-JSW, was filed in the United States District Court for the Northern District of California and on June 1, 2018, a fourth lawsuit, *Lowinger v. VeriFone Systems, Inc. et al.* Case No. 1:18-cv-00829-UNA was filed in the United States District Court for the District of Delaware.

The complaints generally allege that the preliminary proxy statement filed by the Company with the SEC on May 7, 2018, in connection with the Merger misrepresents and/or omits certain purportedly material information. The allegations relate to the Company’s financial projections, the valuation analyses performed by Qatalyst Partners, the background of the Merger, and any potential conflicts of interest of the Company’s management or directors with respect to the Merger. The complaints allege that such misrepresentations and/or omissions render the proxy statement false and misleading and accordingly allege violations of Section 14(a) and Section 20(a) of the Securities Exchange Act of 1934 (the “Exchange Act”), as well as Rule 14a-9 promulgated under the Exchange Act. The complaints seek, among other things, an injunction against the consummation of the Merger, costs of the action, including plaintiffs’ attorneys’ and experts’ fees, declaratory relief, and any other relief the courts may deem just and proper. On May 25, 2018, the plaintiff in the *Byrne* action filed a motion for a preliminary injunction to enjoin the holding of the Special Meeting until certain additional information is disclosed in the Company’s Definitive Proxy Statement.

While the Company believes that the actions lack merit and that the disclosures in the Definitive Proxy Statement comply fully with applicable law, in order to avoid the expense and distraction of litigation and following discussions with counsel for plaintiffs in the *Scarantino* and *Byrne* actions, the Company has determined to voluntarily supplement the Definitive Proxy Statement with the supplemental disclosures set forth below (the “Supplemental Disclosures”).

Nothing in the Supplemental Disclosures shall be deemed an admission of the legal necessity or materiality under applicable law of the Supplemental Disclosures. To the contrary, the Company specifically denies all allegations that any of the Supplemental Disclosures, or any other additional disclosures, were or are required.

SUPPLEMENTAL DISCLOSURES TO DEFINITIVE PROXY STATEMENT

These Supplemental Disclosures should be read in conjunction with the Definitive Proxy Statement, which should be read in its entirety. All page references in the information below are to pages in the Definitive Proxy Statement, and all capitalized terms used below shall have the meanings set forth in the Definitive Proxy Statement. Paragraph references used herein refer to the proxy statement before any additions or deletions resulting from the supplemental disclosures. Underlined text shows text being added to a referenced disclosure in the Definitive Proxy Statement. The information contained herein speaks only as of June 6, 2018 unless the information indicates that another date applies.

The Section of the Proxy Statement titled “The Merger—Background of the Merger” is hereby supplemented by amending the paragraph on Page 32 that begins “On February 26, 2018 . . .” as follows to add the underlined sentence:

On February 26, 2018, the Company and Party 1 amended their previously existing non-disclosure agreement, dated as of July 16, 2016, to extend the term thereof in connection with Party 1’s interest in evaluating a potential transaction between the parties and to require the Company’s prior written consent before approaching any potential co-investor or other provider of debt or equity financing. **The non-disclosure agreement, as amended, with Party 1 did not contain any standstill restrictions.**

The Section of the Proxy Statement titled “The Merger—Background of the Merger” is hereby supplemented by amending the paragraph on Page 32 that begins “On March 1, 2018, the Company and Party 2 . . .” as follows to add the underlined sentence:

On March 1, 2018, the Company and Party 2 entered into a customary non-disclosure agreement in connection with the evaluation of a potential transaction between the parties. **The non-disclosure agreement with Party 2 did not contain any standstill restrictions.** Party 1 and Party 2 determined that they would work together to evaluate whether to make a joint proposal to acquire the Company. We refer to Party 1 and Party 2 together as the Joint Bidder Group. That same day, the Company provided access to an electronic dataroom to Joint Bidder Group to facilitate their due diligence review.

The Section of the Proxy Statement titled “The Merger—Background of the Merger” is hereby supplemented by amending the paragraph on Page 35 that begins “Since the commencement of the go-shop period, . . .” as follows to add the underlined sentence:

Since the commencement of the go-shop period, representatives of Qatalyst Partners, on behalf of the Company, have been in contact with approximately 42 potential purchasers. The Company has entered into non-disclosure agreements with four (4) such potential purchasers, including a private equity firm which we refer to as Party 3 and a strategic counterparty which we refer to as Party 4, and has provided those four (4) potential purchasers with access to an electronic dataroom to facilitate due diligence. **None of the non-disclosure agreements contained any standstill restrictions.** On May 4, 2018, representatives of management met with representatives of Party 3 to discuss the Company’s business and related due diligence matters and on May 10, 2018, representatives of management held a telephone conference call with representatives of Party 4 to discuss the Company’s business and related due diligence matters. As of the date of this proxy statement, none of the parties contacted during the go-shop period have submitted an acquisition proposal.

The Section of the Proxy Statement titled “The Merger—Certain Unaudited Company Forecasts” is hereby supplemented by amending the last paragraph on Page 41 as follows to add the underlined sentences:

The Management Projections include “non-GAAP financial measures,” which are financial measures that are not calculated in accordance with generally accepted accounting principles, or GAAP. **The non-GAAP financial measures used in the Management Projections were relied upon by Qatalyst Partners for purposes of its opinion and by the Board in connection with its consideration of the merger. Financial measures provided to a financial advisor are excluded from the definition of non-GAAP financial measures for purposes of SEC rules and, therefore, are not subject to SEC rules regarding disclosures of non-GAAP financial measures, which would otherwise require a reconciliation of a non-GAAP financial measure to a GAAP financial**

measure. Reconciliations of non-GAAP financial measures were not relied upon by Qatalyst Partners for purposes of its opinion or by the Board in connection with its consideration of the merger. Accordingly, we have not provided a reconciliation of the financial measures included in the Management Projections to the relevant GAAP financial measures. These non-GAAP financial measures should not be viewed as a substitute for GAAP financial measures and may be different from non-GAAP financial measures used by other companies. Furthermore, there are limitations inherent in non-GAAP financial measures because they exclude items, including charges and credits, that are required to be included in a GAAP presentation.

Based on an analysis of the CY2018E P/E Multiples and the CY2019E P/E Multiples for the selected companies, Qatalyst Partners selected a representative multiple range of 10.0x to 14.0x and 9.0x to 12.0x for CY2018 and CY2019, respectively. Qatalyst Partners then applied these ranges to the Company’s estimated Non-GAAP Earnings per Share for each of CY2018 and CY2019, based on the Management Projections and the Street Case. Non-GAAP Earnings per Share for each of CY2018 and CY2019 based on the Street Case were \$1.61 and \$1.84, respectively. Based on the calculations set forth above, this analysis implied a range of values for the Company common stock of (i) approximately \$15.54 to \$21.75 per share based on the Management Projections for CY2018, and \$16.06 to \$22.48 per share based on the Street Case for CY2018 and (ii) approximately \$16.45 to \$21.93 per share based on the Management Projections for CY2019, and \$16.59 to \$22.12 per share based on the Street Case for CY2019.

Next-twelve-months EBITDA (calculated for the twelve-month period ending on January 31, 2019), based on the Street Case, was \$312 million. This analysis implied a range of values for the Company common stock of approximately \$15.36 to \$26.02 per share.
